*Now known as Rykadan Capital Limited, effective on 28 September 2012*

*Hong Kong, September 25, 2012* – Sundart International Holdings Limited (“Sundart”) is pleased to announce that its registered name will be changed to Rykadan Capital Limited (“Rykadan Capital” or the “Company, together with its subsidiaries, the “Group”) effective on 28 September 2012. The Company will continue to trade under stock code 2288 on the Hong Kong Stock Exchange.

The name change was approved by shareholders during an Extraordinary General Meeting on August 31, 2012 in Hong Kong.

The new name was adopted to mark the completion of the Company’s transition into an investment holding company, which currently specialises in real estate and other high potential projects.

Rykadan Capital’s current holdings include:

- *Kailong Rei Investment*, a Group subsidiary and a leading player in China’s real estate investment, asset management and fund management markets
- *Rykadan Capital Tower*, a 19,200 sqm commercial building currently near completion in Kwun Tong, an area set to become Hong Kong’s second financial district
- *Bestlinkage Business Park*, a high potential 52,304 sqm business park in Shanghai
- *Q-stone Building Materials Limited*, which has an exclusive right to sell and distribute marble-based and quartz-based stone composite surfaces products in the PRC, a popular product for benchtops, bathroom surfaces and floor tiles
- A remaining 15% stake in *Sundart Holdings Limited*, a leading fitting-out contractor in Hong Kong and Macau

The Company also plans to expand into other business streams, including venture capital, in the future. It will target high-potential, moderately priced projects mainly in the Greater China region, with a view to improve asset values by leveraging on the knowledge and experience of its team and partners. These investments will then be realised to maximise returns for shareholders.

Mr. William Chan, Chairman and CEO of Rykadan Capital, commented, “The adoption of a new name offers a fresh start for our business. We look forward to creating strong value on both our current and future investments as we expand our reach in Greater China.”
